Instructions

Contact Information

- 1) *Applicant(s)*: Give your name and present phone and address information.
- 2) *Land Owner(s)*: List the property owner as stated on deed or tax bill. Give the property owners' name, phone, and address information if it differs from the applicants information.

Driveway Information (most of the following information can be obtained from your tax bill)

- 1) *Computer #*: Give the computer number for the parcel of land containing the intersection of the driveway and the road.
- 2) *Road Name, Side of Road*: List the road name and circle the side of the road the driveway is located on.
- 3) *Section, Town, Range, and Legal Description*: List the section, town, range, and legal description (NE 1/4, NW1/4, GL3, etc.) that the driveway/road intersection is located.
- 4) *Subdivision Plat Name, Lot, Block*: Specify the lot, block, and subdivision name of the driveway parcel if applicable.
- 5) *Neighbors and intersections*: Give the address, distance, and direction to the nearest neighbors' driveways or nearest intersections (whichever is closest), measured along the road in both directions.

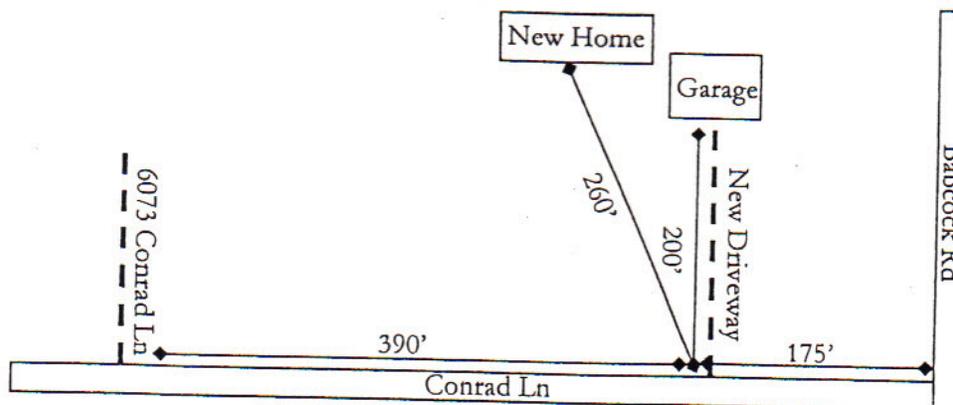

Building Information

- 1) *Building Type*: Give the addressed building type (house, commercial, garage, etc....)
- 2) For the rest of the fields use instructions 1 -5 from the driveway information section above. It is only necessary to fill out the fields that differ from the information for the driveway.

Sketch (Please draw a sketch of your property as accurately as possible. The sketch should illustrate the following items)

- 1) *Features*: Illustrate any existing roads and buildings including distances between your primary structure and the driveway/road intersection point.
- 2) *Driveway Information*: Illustrate your driveway and the nearest driveway/road intersection in both directions including distances to the nearest 10'.
- 3) *Miscellaneous Information*: Road names, labels, explanatory text, etc....
