

RSOQ's (Project 9898-00-00 – 3.2 Multi-use Trail)

The Town of Conover requested of 30 some Engineering firms, their submittal of qualifications for our project as indicated on the “Bidding on Projects” tab. As a result of such request, a total of 14 (fourteen) were filed with the Town of Conover. The Conover selection committee consisting of the Conover Town Chair and 6 other individuals met on August 24<sup>th</sup> to complete the selection process. The committee saw no need for interviews on August 31. Thanks to everyone who provided us with their qualifications - all were greatly appreciated.

The short list of consulting firms for the project are as follows:

MSA Professional Services, Inc.

Becher-Hoppe Associates Inc.

Bonestroo

CWE, Inc.

McMahon Associates, Inc.

The process of selection has been forwarded to the Wisconsin Department of Transportation.

No other information is available at this time.

Sincerely,

James Hedberg

Clerk
