

Town of Conover
Resolution 167-17
Billing of Fire Charges with LifeQuest Services

WHEREAS, on March 9, 2017 the Town Board of the Town of Conover passed to identify and establish fees for services performed by LifeQuest Service; and

WHEREAS, the addition of fees will allow users of certain services performed by the Conover Volunteer Fire Department to assume more of the responsibility for funding the department and allow to continue and provide a broad range of rescue services; and

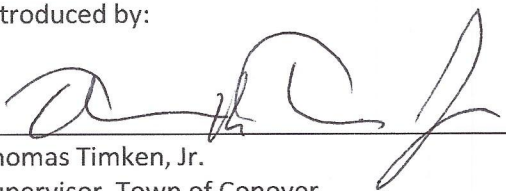

WHEREAS, the purpose of this resolution is to establish fees for response to incidents by the Conover Volunteer Fire Department. These fees shall be in addition to the assessment to the owner or possessor of the actual costs of any equipment, supplies, or materials consumed or destroyed in the response to an incident.

NOW, THEREFORE, BE IT RESOLVED by the Town of Conover:

That the Town of Conover Board, upon review of the recommendation of the Conover Volunteer Fire Department, hereby accepts and adopts the fees for a response by the Conover Volunteer Fire Department to incidents as provided.

BE IT FURTHER RESOLVED that, upon the effective date of the fee structure set forth, any prior resolution relating to said fee shall be superseded.
