

NEWS RELEASE NO. 2
Conover Waste & Recycling Center

Updated Information

The "NEW" site behind the Conover Fire Department remains CLOSED due to the fact that the COMPACTORS have not been able to be hooked up to the 3-phase power because of PARTS on order. If the needed parts arrive and the equipment is up and running this weekend, the site will open on Sunday from 1pm – 4 pm.

IF NOT UP AND OPEN, the OLD site will function with its normal hours. If your punch cards have been converted to "Yellow," those cards are only good at the new site. The Original Blue cards are good at the OLD site. If you have trash without cards for the old site, your trash will be accepted for \$3.00 cash for each bag of TRASH as was the policy of the Town during the past.

When the new site is up and running, the attendant will be able to sell you the new YELLOW card (\$20) with a check payable to: Town of Conover. NO CASH TRANSACTIONS OF ANY KIND will be allowed at the NEW Transfer Site. Punch cards are also available in the Clerk's Office during regular posted office hours.

ALERT....Do not purchase more cards for 2014 than you will totally use up by December 31, 2014. The left over cards or punches WILL NOT BE CONVERTED should a NEW CARD be required by Eagle Waste and Recycling who are the Legal Operator's of the Operations at Conover.
