

Resolution No. 144-14
Town of Conover

WHEREAS, development of new snowmobile routes and access points have evolved in recent years, and

WHEREAS, Chapter 7 of the General Code of Ordinances as it relates to established routes for snowmobile traffic over town roads to access off-road routes has not been updated to meet these new routes, and

WHEREAS, with the construction of the GHT Inc. Trail System along the CNW RR ROW to the Phelps spur, and

WHEREAS, the extension of the North RR Bed trail to meet with Old Highway 45 Road for trail connections has been approved for 2014-15, and

WHEREAS, Section 7.02 sub paragraph (6) "Designated Routes" needs to be updated for Old Highway 45 road travel,

BE IT HEREBY RESOLVED, snowmobiles are hereby authorized and designated to utilize Old Highway 45 Road from the Fire Lane Road South on Old Highway 45 Road to that entrance which will access the railroad bed for traffic to the downtown businesses in Conover.
