

Resolution 103-09
Town of Conover
Adoption of the Conover / Land O'Lakes
Community Wildfire Protection Plan

WHEREAS, THE Healthy Forest Restoration Act of 2003 was created in order to reduce the threat of destructive wildfires while upholding environmental standards and encouraging early public input during review and planning processes, and

WHEREAS, the Town of Conover and Land O'Lakes have been identified as "high risk" communities in the Wisconsin Communities-at-risk Assessment, and

WHEREAS, a Community Wildfire Protection Plan should be developed in any community that is listed as such, and

WHEREAS, in we have jointly worked cooperatively to develop a joint community wildfire protection plan, and

WHEREAS, the intent of the plan is to help fire protection agencies, community leaders and natural resource professionals to be better prepared to protect both town's residents, property, and natural resources against the negative impacts of wildfire, and

WHEREAS, completion of a community wildfire protection plan will earn priority for funding hazardous fuels reduction projects carried out under the auspices of the Healthy Forest Restoration Act of 2003, and

WHEREAS, the Conover town board of supervisors has reviewed the draft of the Joint Plan and concurs with the final plan content,

now, therefore be it resolved, that the Conover town board of supervisors hereby adopts the Conover / Land O'Lakes community wildfire protection plan.
