

Resolution 110-09
Town of Conover
Share in Feasibility Study – LVG

WHEREAS, the town of Conover, Vilas County, Wisconsin, is a signatory to, and member of the Landfill Venture Group, which said group is an intergovernmental cooperation commission formed and authorized under the provisions of ws 66.30, and

WHEREAS, the purpose of the Landfill Venture Group is to operate a solid waste disposal facility consisting of a landfill, various associated buildings and equipment related to said facility, and

WHEREAS, the commission has determined that the capacity of the landfill is close to exhaustion and additional facilities, including land and/or buildings are necessary to continue to operate the facility, and

WHEREAS, the State of Wisconsin, Department of Natural Resources, has advised the commission that it is necessary conduct a feasibility study directed toward the expansion of the landfill facility before construction is permitted, the cost of which will estimated at \$160,000.00; the municipality members of the Landfill Venture Group have agreed to share the cost of such study based on equalized assessed evaluation of the members over a period through 2012,

BE IT HEREBY RESOLVED, the Town of Conover in Vilas County Wisconsin agrees to place a sum, annually in its budget, equal to its equalized assessed value share of the cost of the feasibility study as set forth herein, and appropriate said amount to the Landfill Venture Group for its share of such feasibility study. The equalized value of all member municipalities is attached hereto and made a part of this resolution.
