[] Special Use Permit

[] Conditional Use Permit

The CONOVER TOWN BOARD, has agreed to allow the use of the non-conforming structure in accordance with terms given on the application on the reverse side.

Special Conditions that must be met for this approval are:

Other local or county permits for sanitary, water and general use purposes may be required. For construction of a dwelling for human habitation requires a zoning permit from the Conover Zoning Administrator first, then a Vilas County Permit must be obtained and contact must be made for a State Permit from Rick Clem of RC Inspections – Tel 715-543-2094 or Cell 715-892-2056.

In accordance with the agreement, the permit will become effective on the date of enactment by the Conover Town Board.....

Dated this ____ day of _____, 20____
